

What is TIP?

The Tuition Incentive Program encourages students to complete high school by providing college tuition assistance after graduation.

How does TIP work?

TIP helps the student pursue a certificate or associate degree by providing tuition and mandatory fee assistance at participating Michigan institutions.

After earning a certificate, associate degree, or even 56 transferable credits, the student can then be eligible to receive up to \$500 per semester while pursuing a bachelor's degree, not to exceed \$2,000 total.

Have you ever been Medicaid eligible?

If so, then you might be TIP eligible! If you qualified for Medicaid for at least two years between age nine and high school graduation, you are encouraged to contact MI Student Aid to learn more and complete your TIP application, if eligible.

How Do I Complete My Application or Check My Eligibility?

There are two ways to check eligibility or complete an application:

- 1. Create a MiSSG Student Portal account, log in, and complete the online application.
- 2. Call our Customer Care Center at 1-888-447-2687.
 - Only eligible students may complete an application.
 - Eligible students must complete the application before August 31st of their graduating year from high school. Students must graduate from high school before their 20th birthday.
 - Beginning with the class of 2017, students who attend a state-approved Early/Middle College have until age 21 to graduate and complete the TIP application. Students who meet this criteria must contact us to complete the application.

Where is the MiSSG Student Portal?

Go to www.michigan.gov/missg and click the Student button.

What Happens After I Complete My Application?

Only the institution you list first on your Free Application for Federal Student Aid (FAFSA) will be notified of your TIP eligibility. If you decide to attend another institution, you can update it in the MiSSG Student Portal or by contacting the Customer Care Center.

How Does TIP Pay?

After your institution verifies your enrollment of at least six credit hours, the TIP payment will be sent directly to your institution to be applied towards your bill.

What Institutions Participate in TIP?

See the reverse side of this flyer to learn which institutions participate, how much TIP covers, and more!
